## Melbourne Mail Management Environmental Statement

Melbourne Mail Management is an organisation that undertakes a number of initiatives and actions in order to achieve a reduced environmental impact.

The following is a brief list:

- Utilising environmentally friendly and accredited products and technologies wherever possible.
- The implementation of internal paper saving measures and waste management and recycling practices.
- Engaging accredited suppliers and contractors who possess relevant environmental accreditation.
- Complying with relevant governmental laws and authorities wherever possible.

As a responsible and customer focussed organisation, Melbourne Mail Management provides its client with a variety of eco friendly and accredited material and packaging options when conducting and processing direct mail campaigns.

Yours sincerely,

**Melbourne Mail Management**
